### DESIGNER'S PACK

Each year we try to encourage students to have their own drawing equipment for their design lessons. This year we have put together a "Designer's Pack" which includes the equipment found to be the most useful.

The pack will be on display on Induction Day, and consists of:-

- A3 Clear Book, 20 clear pockets
- IsoSketch 3D Drawing Tool
- 2 x Berol fine line pens
- 3 quality pencils, HB, 2B & 2H

Due to the numbers that we order we are able to purchase the items at a very reasonable rate and can offer the pack at a reduced price.
