# Charging and Remissions Policy

The Governing body cannot charge parents and students for any activity unless it has drawn up a charging policy. Moreover, when made, charges per student cannot exceed the actual costs incurred, which mean that students who can pay should not be charged extra to cover the costs of those who cannot afford to.

The governing body must not charge for any activities which take place when the school is actually in session, excluding the break in the middle of the day. The exception is musical instrument tuition for individual students or students in groups of up to four, as long as such teaching is not an essential part of the National Curriculum or a public examination syllabus being followed by the student(s).

If the school wishes to run an activity during the school day for which it would need contributions from parents or others, it can invite voluntary contributions. However, no child should be excluded from such activity because his or her parents cannot or will not contribute.

The school can charge for optional, extra activities provided mainly or wholly outside school hours as long as such activities are not an essential part of the National Curriculum or religious education. Activities which are an essential part of the syllabus for an approved examination must be provided free.

Chapter 23 of A Guide to the Law for School Governors provides further, detailed guidance on residentials, use of mini-buses, public examinations and activities provided during school hours by external bodies.

## **Status** Statutory

### **Purpose**

The purpose of the policy is to ensure that, during the school day, all children have full and free access to a broad and balanced curriculum.

The school day is defined as: 8.55 – 3.45 excluding either 12.25 -1.25 or 1.45-2.45.

### **What was consulted?**

The policy has been informed by A Guide to the Law for School Governors.

### **Relationship to other school policies**

The policy complements the school's equal opportunities policy, curriculum policy and teaching and learning policy.

### **Roles and responsibilities of Head of School, other staff, governors**

The **Head of School** will ensure that the following applies:

#### ***During the school day***

All activities that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This includes any materials, equipment and transport to take students between the school and the activity. It excludes charges made for teaching individual students or groups of up to four students to play a musical instrument.

There will be no charge for any activity that is an essential part of the syllabus for an approved examination unless:

- ◆ The examination is on the set list, but the student was not prepared for it at this school
- ◆ The examination is not on the set list but we arrange for the students to take it
- ◆ A student fails without good reason to complete the requirements of any examination where the governing body or the LA originally paid or agreed to pay the entry fee.

Voluntary contributions may be sought for activities during the school day which entail additional costs, for example school trips with transport costs.

In these circumstances no student will be prevented from participating because his/her parents cannot or will not make a contribution. Children of parents who do not make a contribution will not be treated any differently. If a particular activity cannot take place without some help from parents, this will be explained at the planning stage. An activity may be cancelled if not enough voluntary contributions are collected.

From time to time we may invite a non-school based organisation to arrange an activity during the school day. Such organisations may wish to charge parents, who may, if they wish, ask the Head of School to agree to their child being absent for that period.

#### ***Optional activities outside of the school day***

We will charge for optional, extra activities provided outside of the school day, for example Theatre Visits. Such activities are not part of the National Curriculum or religious education, nor are they part of an examination syllabus.

#### ***Education partly during the school day***

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day.

Conversely, if the bigger proportion of time spent falls outside of the normal school day, charges will be made. When such activities are arranged parents will be told how the charges were calculated.

#### ***Residentials***

Charges will be made for board and lodging, except for students whose parents are in receipt of Income Support, Universal Credit, Income-based Jobseeker's Allowance, support under part VI of the Immigration and Asylum Act 1999, Child Tax Credit, the guaranteed element of State Pension Credit.

Other charges will be made to cover costs when the number of school sessions missed by the students total half or more of the number of half-days taken up by the activity. In such cases parents will be told how the charges were calculated.

#### ***School mini-bus***

Only the school's students, staff or parents may travel at a charge in the school mini-bus. Charges can only be levied if the school has a permit issued by the LA under section 19 of the Transport Act 1985. No permit is required if no charge is made to the user. Charges made for travel will cover only actual costs incurred, including depreciation; the service should not make a profit for the school.

#### ***Calculating charges***

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of students participating. There will be

no levy on those who can pay to support those who can't. Support for cases of hardship will come through voluntary contributions and fundraising.

Parents who would qualify for support are those who in receipt of Income Support, Universal Credit, Income-based Jobseeker's Allowance, support under part VI of the Immigration and Asylum Act 1999, Child Tax Credit, the guaranteed element of State Pension Credit.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents.

**Arrangements for monitoring and evaluation**

The Resources Committee will monitor the impact of this policy by receiving a financial report on those activities that resulted in charges being levied, the subsidies awarded (without giving names) and the source of those subsidies.
