Mr K Moffat

Dear Parent / Guardian,

As has been previously communicated, the school is running an Activities Week from 13<sup>th</sup> to 17<sup>th</sup> July next year. As part of that week, we offer a residential visit to Krakow and the Auschwitz-Birkenau Extermination Camp as one of the featured visits that students in years 9, 10 and 12 can select. There are places still available on the trip, which was first advertised right at the end of last school year, so I write to invite further applications.

This visit is intended to help the Langton fulfil its part of that duty. It will also educate the students who visit in an extremely important element of world history. The other parts of our visit add to the story with a look at the problems of the Jewish Ghetto and the persecution of the Jewish people. There are also tours which take in the wider history of Poland and Krakow, from the Salt Mines to a lighter trip back to the 1980s at the pinball machine museum.

The trip is run in partnership with TCBC, the company who arrange our very successful yearly visits to Berlin. It is therefore a high-quality experience throughout, fully guided, with all transport, catering and accommodation needed catered for and the educational experience maximised throughout. All possible hotel venues have been visited by current staff and are verified by TCBC as safe for school groups. Since there is a significant cost attached I would like to put a payment plan in place to ease the burden.

Outline details are:

**Date:** 13<sup>th</sup> – 16<sup>th</sup> July, 2020 - 4 days/3 nights full board

**Venue:** Krakow – Town Centre Hotel (exact location TBC)

**Approximate Cost:** £649/699 (to be confirmed depending on numbers)

This trip will have a packed schedule to ensure that students who attend have a worthwhile and memorable experience, and can fulfil the purpose of the visit in terms of sustaining the memory of the Holocaust.

Please see attached information with a full outline of the trip. If you have any questions regarding the trip please do not hesitate to get in contact with me.

Please complete the slip below to provisionally reserve a place or, if you prefer, send me an email confirming your intention.

Kind regards,

Dr P Easterbrook
