Please return this form either by email or a paper copy to Mr Watson. Every effort will be made to give each student their first choice but numbers are limited for each activity and, therefore, this cannot be guaranteed.

Students wishing to do work experience will need to organise placements themselves for approval by Mr Watson.

The NPLQ will also be offered during the first week of the summer holiday for those wishing to take the qualification but who are already committed to another activity like Cern or the Music Tour.

Group 8, ‘volunteering’, is the default activity for all.
